ORDER:

Heard learned counsel appearing for the petitioner as well as the learned Government Pleader for Home appearing for the respondents.

2. Petitioner seeks a writ of mandamus declaring the interference of the police in the civil matters, as illegal, arbitrary, and consequently direct the respondents 1 and 2 to restrain the 3rd respondent from his wilful and intentional interference in civil matters relating to the petitioner.

3. Counter has been filed stating that there is a dispute between the petitioner and the 4th respondent with regard to the right, title, and ownership of the property in question and therefore petitioner filed O.S.No.5 of 2006 on the file of the Junior Civil Judge, Tandur which was dismissed and the 4th respondent furnished a copy of the said judgment and mutation granted by the Tandur municipality and accordingly requested the tenants to pay the rents and he made a written intimation to the 3rd respondent stating that the petitioner abused him in filthy language and beat him. The said written intimation discloses that a non cognizable offence has been committed but not a cognizable offence and therefore the complaint was forwarded to the Judicial First Class Magistrate, Tandur for granting necessary permission. Thus, it is stated that no illegal interference has been made.

4. In view of the contentions made in the counter I do not see any truth or otherwise in the allegations made in the affidavit filed by the petitioner.

5. Accordingly, the Writ Petition is dismissed. No order as to costs.
